PREP BUDDIES

Recently our Level 1 and Level 7 students have become “PREP Buddies”. Last week’s lesson was showing God we love and care one another and the special prayer to help us-the Lord’s Prayer. Our Level 7 buddies helped us to learn the words by playing a stacking game with us. Each cup had a part of the prayer on it and we worked together to put the words in the correct order by stacking the cups and trying to balance them and complete the prayer.

THIRTY-THIRD SUNDAY IN ORDINARY TIME

HEARING THE WORD

MATTHEW 25:14-15, 19-21

Jesus told his disciples this parable: “A man going on a journey called in his servants and entrusted his possessions to them. To one he gave five talents; to another, two; to a third, one – to each according to his ability. Then he went away.

“After a long time the master of those servants came back and settled accounts with them. The one who had received five talents came forward bringing the additional five. He said, ‘Master, you gave me five talents. See, I have made five more.’ His master said to him, ‘Well done, my good and faithful servant. Since you were faithful in small matters, I will give you great responsibilities. Come, share your master’s joy.’”

REFLECTING ON THE WORD:

Our gifts are given to us to be used. However, it can be scary that the offer of our gifts will be rejected. What we see in this story is that God will make our gifts more bountiful when we use them. Our gifts will not grow unless they are used. Sometimes, it takes a while to discover our strengths and talents, but when we do, they will bring abundance to us and others as well.

FOR REFLECTION:

Name one of your gift and how you can use it today.

Are you ever afraid of using your gifts?
